June 3, 1958

Dear Nancy,

It's been a real neat year, hasn't it?

Remember all the neat times we've had this year. How it seemed that Mr. Lewis was always teasing us about something. Oh! Nancy this year wouldn't have been worth living if you and I weren't so close. It's a lot to say, but it's the truth when you stop and think that I hadn't planned on coming back here ~~this~~ year.

Remember taking (or trying to take) the pictures of Margie (Mig). Oh! wasn't that a ball! Remember all the times that we hid and then called him and watched him run to another door. Oh! I was really a blast, Nan.

Remember Cedar Falls! Oh! I've never had so much fun in all of my life. Remember Ted and Jimmy Spilman. Oh! remember how you took the picture of Jimmy with Elder Miller's little boy Gary.

Then how we came down in Elder Miller's little Volkswagen. Oh! what a blast.

Remember in Bible class all the crazy things I wrote on the board. And Elder Crowder! the poor guy. This year has sure been a blast if you so myself.

This won't be memories now, but in later years it will be. Remember how Mig and Micky House (Mr. Lewis) wrote in my "annual" in Africa. Oh! what a mess.

Well! another year has slipped by our hands and we will be Juniors pretty soon, a few days to be exact, and we will

Dedication

The 1958 STEPPING STONE is respectfully dedicated to those who have gone before, laying down the stepping stones for us. As the "Spirit of St. Louis" laid the foundation for the modern airplanes of today, so it was necessary for the former students of GUA to pave the road on which we travel. May we also do our part in paving the way for those who will follow.

Principal's Message

Another school year has now faded into the past. You have held time in your hands. Opportunity to grow in terms of physical, mental, and spiritual life has been your lot. Physical growth comes without saying. Mental and spiritual graces come from dedication and work. Evaluate carefully your life in these terms. These are serious times for Seventh-day Adventist youth. The world is not without its pressures. It takes a young person of courage and stamina to have his spiritual guard always up. Summer months are now upon us. A new school year is soon coming. Will you stand with us? Will your stand not only be for now but for eternity? We know that "there is more to life than meets the eye." Glendale Union Academy continues in its program to uphold your hands, measuring growth not only in what is seen but in terms of eternity.

Mr. Watkins always has a cheery smile for those he meets

CAPTAINS of INDUSTRY!

In every group of graduates there are some who, because of scholastic achievement, special abilities and skills or personal dynamics, stand out from all others. These are the men and women industry is looking for. They are the captains of tomorrow!

As the leader in the drill bushing industry, ACE, too, is looking for above average personnel to fill positions of responsibility.

If you have business or engineering training and wish to affiliate with a Christian organization having international ramifications why not think seriously about joining ACE? A letter to the Personnel Director will bring full information.

OF

1958

Dear ASB,

Well, the job is done for this year. It has been fun, but also a lot of work. Thank you - all of you - for supporting the annual staff. Thank to you, Cider! Left eye, Sponzo - for all your help and your excellent job of photography, without which this book would have been impossible. Curly - Turney Studios - for the fine portraits Mr Bacon - for the title page art and the cartoons throughout. Mr Supper - Business Advisor, for your constant watch over our finances. Lynda Sue Poole, Assoc. Ed. - for your help from beginning to end. Bob Eichhardt, Exec. Man. - for keeping our budget straightened out. Sandra Sutton, Quane Barnes, Exec. Man. - for seeing that the people who want annuals get them. Mayme Phoenix, Dixie Kiefer, Tom Newbold, Exec. Man. - for the house you spent a lot of time and effort to get ad. Janice Vickson, Adv. Sec. - for your faithfulness in calling parents and asking them to be upon your side. Peggy Stadin, James Spilman, Joan Haglund, Snapshot Ed. - for collecting and putting up the snaps. Carolyn Furell, Pat Thurston, typists - for your good help in preparing the copy. Dwight Barnes, Penny Erickson, photographers - for your part in taking the many pictures that make up an annual. Pat Morris, Bert Herrick, artists - for the calendar so aptly portrayed. Also many thanks to Mr Watkins and the faculty for their forbearance.

Thanks again to all. May this yearbook bring back all the pleasant memories of a wonderful year.

Linda
